“ Sorry to see that David passed. I worked at OVMC for 40 plus years. David was always there when the crazy last minute problems happened. He would roll up his sleeves and set up tables or move them around. He did what ever was needed. We saw a lot of folks come and go thru the years.

“ I knew David threw his daughter Melissa. If I needed the answer to anything She would call her dad and he always knew! It turned into if I needed to know anything I would call Melissa and say call your dad and ask him. I am so sad for the family. RIP David
