“ Davey would come home from work tired and hungry but he would talk about the great people he worked with that made the day fun and fly by. He was proud to work with the young people and wanted to keep them safe and teach them the job. He was loved and I will miss him every day . Nanc

“ Nancy and Josh, I am so sorry for your loss. There is no nicer person than David Wells, and I am honored to have known him and call him my friend. We worked at PPG, and Dave was always kind, courteous, and well respected by all who knew him. He dearly loved his family and was extremely proud of Josh. I pray that God will comfort you at this trying time, and have faith that Dave is happy and that our friendship will someday continue, never to end. John Allen
