“ *My memories of Debbie during our grades and high school years were of her modeling how easy it was to be friendly and kind to others. And if she ever was having a bad day herself, she never showed it.*

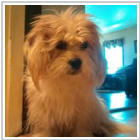

Sincere condolences to her family and friends.

“ I knew Debbie just about all of my life, having attended BTS and Central together and of course, growing up on the Island. Although, as adults our paths didn't cross often, I actually lived in the apartment above Debbie for a short period of time when I relocated to Wheeling. We were close friends and always reminisced about the good times and mutual acquaintances when we were together. I'll always remember Debbie as a beautiful person who seemed always to have a smile and a pleasant word to speak. Life is too short, especially for someone as special as Debbie. Condolences to her brother Don, and all of her family.
God Bless her and may perpetual light shine upon her now and forever!

With Love,
David
