“ *My sympathy to the family. Debbie and I went to high school together. We were in the band together, but my fondest memories of Debbie are when we were in nurses training together. She was my roommate. We had so many good times together. Although we lost touch, I always thought of her as a dear friend. She will be sadly missed. Rosemary McLaughlin Sherron.*

“ *I went all the way thru grade school and high school with Debbie..We were in band too together. I remember her having a great sense of humor and a sweet and gentle way with people. We had lots of laughs and then reconnected a few years ago. She will always be someone I am proud to say was a friend. So sorry for the families loss. She will be missed by those people whose lives she touched.*
