“ I don't even know where to begin but from the minute I moved into the Parsonage at Mt. Olive as a single going man in 1995, Dolores and Larry treated me as if I were one of their own. A beautiful woman full of love and passion will be so sorely missed! My love and prayers to the entire family

“ I haven't had the pleasure of seeing Delores for many years, but have only good memories of her, Larry, and all the Romick family from the Ecclesia singing ministry days. She was always hospitable and supportive, with young people crowding their home on many occasions. I'm thankful for her loving witness, and wish I could've seen her in more recent years. May the love and sure hope we have in Jesus be your constant companion, dear Romick family, in the time ahead here on earth, until we all are once joined together in eternity with our Savior and Lord. In His love, Sandy (Roberts) Klepac

My deepest condolences to the Romick family. Your mother was a kind and loving woman. I remember how welcoming she was to those of us attending "Monday Night Meetings." My thoughts are with you.

Aunt Delores will be missed. However, she will be reunited with Uncle Larry, family, and friends in heaven. She was a warm and caring person and a great cook. Only have great memories her and the prank she pulled off with Larry in serving vanilla ice cream with mashed potatoes to me and my brother Denny. Karen, you need to be strong in dealing with this void in your life.

Love to the Romick family. Rodney and Joy Parker

All of the memories that have been shared tell the story of Delores, the kind and loving woman who opened her heart to all of us ... and the mashed potatoes and vanilla ice cream memory adds the element of Romick fun that brushes away our tears. With love, Mary Ellen
