“ *So many times you were more like a mother than my own. One minute you'd wanna beat me, the next advise me.... You will always be loved and missed always! I wish I'd have known I would have been there more! You and Becky never left me alone in this world and for that I will be forever grateful! May you fly with the Angels, and live with God forever. Give Pap a big hug for me and tell him I said hi.*
