“ Anthony was a great person with all of the best intentions. Our family will never be the same without him. We're missing a link to our family chain. Although, I do know you will always be with us in memory. I love you Anthony so much and can't wait to see you face again... Someday, forever in my heart.

“ Heaven has gained another angel. I will always remember when he would walk past the house to go play basketball and always invited me. I know it is going to be extremely hard to go on without Anthony Just remember he is always watching over you all.
