“ To all the family. I started to list names but realized so many will be grieving so I reach out to u all. I am so sorry for ur loss. As a loved one, to whom ever he was to each of you, he will be greatly missed. He was way too young and such a great person to be gone but to be in heaven would be a blessing. I always say, the more we miss them the more love we had for them , which is a great thing. God bless u all. 💕💕 Suzette Anderson
