“ Will never forget the afternoon I looked out for the kids and saw 6 yr old John coming up out of woods and he wS astride Fred's Charlions bull. Was frozen with my heart in my throat but as th bull slowly came up the slope of the right of way I saw Fred coming into view, one hand on John's leg and holding Heather's hand in the other. Oh, how I wish I had a picture of that!! He took those two young kids with him a lot when the cattle were next door.
