“ *I am so sorry to hear about Derek's passing. I have so many great memories of watching him grow up, being friends with Amanda and what a smile and what fun he could be! Through high school he was so considerate and a nice young man. May he rest in peace and shine in God's love. May wonderful memories and love from friends and family help you through such a difficult time. Much sympathy and love to all the family. Keeping you all in my thoughts and prayers. Jane Hare*

“ *I didn't say goodbye when I left work on Saturday, running out for Bianca's prom. I'm sorry for that but I know you know how much I loved you. I miss you already. These next days and months are going to be miserable. As much as I will miss you, I know in my heart you are ok now!! You are in the Arms of God and I know you are watching over us. Until we meet again my friend, rest in eternal peace. My heartfelt condolences to all of your family and friends. Derek was one of a kind. I loved him from the first day we met at United.*

“ *So sorry to learn about Derek. He was such a nice person who visited our home many times and was such a good friend to Daniel. Not many people would drop everything and travel from West Virginia to Nevada nonstop to help a friend move across country but that was Derek...so thankful to have known him. My thoughts and prayers to his family.*
