“ Had fun times growing up together and hanging out. Was always a good friend. I will remember her laugh and always going out of her way to give you a hug as we randomly ran into one another throughout the years. She will be missed with alot of good memories.

“ Diane was a very dear friend. She was the most compassionate, giving person. Was loved by the residents at the health care center. She made an impact on so many lives. She was the best at her job as our van driver. Always organized, and willing to do whatever it took to accommodate the residents needs. She was an inspiration to all. We sure will miss her, but she went through some tough times, and now, no more sickness, and at peace with our Lord. Love you forever, my dear friend ❤️
