“ I am going to miss my "traveling companion"; but she can now see the whole world. Dianna was a great friend and a wonderful person, both inside and out. Much love to the Lawrence family; God Bless!

Dianna was my best friend. I know I probably was not her best friend because she had so many friends. We could talk about anything. I feel fortunate that she was in my life and will miss her greatly. I will always remember our trips together, we had some wonderful adventures over the years. Goodbye Dianna you will be missed by so many,
