“ Dear Sally and family,
I was so sad to hear of Don's passing. I have many memories of him from both sides of our family. If there was a Kupski or Zombek event, Don was there. He was the definition of a loyal friend. I will always remember him with a smile because I never saw him not smiling. He was a great person. Please accept sincerest condolences from me and my dad.

“ Dear Ms. Sally and Family,
Just read of your loss and want to send you my deepest sympathy.
It is so hard to lose a loved one but with this wicked world one is
better off.

*It has been quote a number of years since we chatted..we met
when I worked for DJ Electrical. You two were always so nice to me
and so generous to help support my charity of raising money to help
send kids with cancer to camp by purchasing my KOEZE nuts. All
profits went to the kids. THANK YOU SO SO MUCH,*

*I think of you both a lot as we pass your residence and where
electrical supply was located. I may lose contact, BUT, I DO NOT
FORGET YOU, blessings to you at this difficult time.*

“ Dear Sally, Michael, Donnie and Kristin. I was informed of Dons' passing last evening (8/8) and I was devastated. I am praying that you all find peace during this sad time. Don was such a tremendous person and I always enjoyed talking to him, but even more so, working with him. I learned so much from him in my early years at ECS and he was a major component to my career. Most of all, I enjoyed having a beer or two with him at the Kain club with dad (Ted Zombek). I am sure that dad met Don at the pearly gates with a shot and a beer in hand for him. Don will be sadly missed but he will never be forgotten. God speed Don, your work is done here and you have earned your angel wings. Rest in peace my friend.
