“ Don was a wonderful brother in law and I am going to miss him very much. I will never forget the Thanksgiving Dinner when Kristen asked for a roll and he got up and rolled her on the floor. It really showed Don's sense of humor and how much he cared about his family. He was a rock when Tom passed away and helped me through his death. I also have also appreciated how he welcomed me into his home and made me part of his family. He will truly be missed.
