“ Been thinking about you a lot lately. I turned 21 last month, a big milestone for me. I hate that I never got to know you, maybe I'll get to meet you when my time comes. I hope you'll be proud of me when I get there, dad. You didn't get to raise me, but you're a bigger part of my life than you thought. I hope you're at peace now.

“ On August 2nd 2018 I lost my fiancée, my soulmate, the love of my life, my best friend Don to his illness. My name is Eileen Wright. Don and I met in December 2012 and were together until that final day. We met in Boise lived there for several years until we moved to Minnesota to start new due to his mother in Boise not accepting the divorce of his ex-wife, separating from her when he was 24 1/2 or so divorcing her several years later, or me.

He was close with his family in WV talking to them on the phone but I never actually met them I did get texts and a phone call that final day though. He told me stories about his family in WV as I did mine I felt as if I knew them. We would talk about everything daily like we knew each other from another life from day the day we met my other half.

I do have tons to share about him about his years with me but his family would need to accept me as a part of his life like he always wanted.

We have had pets over the years yes one of his favorites is Rumpelstilskin aka rumpel our dog.

I will never forget how we saved each other in death and in life, he would understand that even if no one else does.

I LOVE YOU DON ALWAYS!!!!

eileen wright - August 13, 2018 at 09:48 AM

“ *My heart is numb with grief and disbelief.
Donald is my only son. I would like to share part of his life as his journey began...*

When you were born your father held you up to God as to say.. We have received your great gift of our firstborn son.

*That day was 7-7-81. 7 minutes after 1,
7lbs 6ozs, 21 inches long. God was smiling.*

By the time he was 7 he could tell you any part of the Bible you would like to discuss. He was truly a child of God. He always liked to celebrate the Son of God. He loved Christmas at Gramma and Paps house. He loved to help his Pap decorate and eat all the Christmas goodies Gramma baked.

The House was full of the love that beamed from his excitement.

As a young man he became a wide band communications specialist.

He served his country in the United States Air Force.

There he met a beautiful young woman, Mary R Popio. He made her his wife.

They had two beautiful children together... Donald James Crupe (baby Donnie) & Elizabeth Rose Crupe. He called his baby girl 'Bug'.

They moved to Idaho to be closer to 'Gramma'.

One of his accomplishments here was he became a producer of a TV Ministry called

The Church of The Way. Donnie accomplished a lot in his short life.

He also had two step brothers that loved him very much.. Ryan Lee and Robert Lee.

And a step dad Rick Lee.

He also has a sister Amber Crupe, a brother

David Crupe and a step mother Terry Crupe that he loved very much & his father Don Crupe. We will all miss him.

I leave you in the hands of our Heavenly Father that you loved so dear.

A mother's love comes from God and will be with you wherever you are.

He moved away from his family to find himself and our love went with him. He found that God's love was with him all the time.

God called Donnie home to Him so he could give him the peace of His love he had been searching for. The love of sweet Jesus that walked him home.

He is my son and I love him very much.

Mom & Dad will always feel blessed that God chose us to be your parents sweet son.

“ My heart aches for Both the Phillips and the Crupe families. Donnie is my nephew, the son of my sister Lisa Phillips. There are no words that can express the loss of a child, but here are some memories we would like to share with you now...

As a young boy his favorite holiday was Christmas. He was always so excited when his grandma and pap would decorate the house up. He loved God and was excited to celebrate Jesus birthday. Grandmas Christmas cookies were the best he said.

As he got a little older football became his favorite game. He played for his high school and was proud to be a good player.

Di Carlos pizza was a favorite food he loved to share.

He worked hard as a young man, trying to make his way in the world.

He decided it was time to serve his country and joined the Air Force. During that time he met a girl, fell in love and got married.. two beautiful children followed.

Their names are Donnie and Elizabeth. He loved them dearly and often talked about them with his mom.

Donnie had a big heart and was always ready to lend a hand . Life had its hardships and that he understood. His smile was warm and his laugh was sweet. He took life's lemons and made the sweetest lemonade.

There are so many wonderful memories we carry with us when a loved one passes.

Today my family and his mother , though we miss him terribly, choose to celebrate his life and in doing so share just a small piece of it with you.

We love you Donnie. You are with God now, and are shining bright.

Until we see each other again sweet boy.

Heartfelt sympathies to the entire Crupe family. I was deeply saddened to hear about your loss. Donald and I were classmates at Martins Ferry Christian Grade School many years ago. He had an infectious personality that everyone loved. During this difficult time, I pray you find comfort in knowing the impact that he made on everyone that was blessed to know him.

You are all in my thoughts and prayers.
