“ Our condolences to all of the family. Wayne was very special to me. We shared the same birthday. I got to spend a lot of time with he a Janice this past year and am so grateful for that time. We watched the trees turn colors and went for rides, fed the deer, shared meals. Wayne was always there for me and helped me so much, including bringing me a cup of coffee in the mornings when I didn't have a pot, always with a big smile on his face. I'll never forget his gentle voice. Listen to this video of their tree last fall as he talks about the leaves falling as I was trying to get a good shot. Fly high Wayne. Breath easy my friend. I will miss you. ❤️ Karen Ward , David and Sam
