“ Kelly, Mindy and Jamie-We are so sorry to hear of Don's passing. We both have so many wonderful memories of Don and Rita and all the fun we had together. I still have a little wooden heart that Don gave me when we were in the 7th grade. Funny how you keep little things like that. Prayers are with you to day. Don and Mary Sue

“ Sorry to hear about Donnie. I'll remember him as one of the "characters" I stood on the picket line with at UPS in the late 70's as a young man just out of college. Loved to listen to his stories. My thoughts and sympathy are with all his family and friends.
