“ Aunt Donna was the very definition of a Christian soul, selfless, generous and kind to all, with enough love for everyone; she made the life of everyone she knew richer, and was a blessing to us all. I will always treasure the memories I have of her, and see her smile, and hear her laugh and see the special sparkle in her eyes when when was talking about her family her loved ones. There was always a seat at the table and a plate full of food for all who visited as well as laughter, love and joy in abundance as well. Donna and Roger showed us all what love and caring was all about, and how to be and how to treat one another. Heaven is now richer, and the world would be a bit poorer if she had not through her life given little bits of herself to all of us, which we can carry and treasure for all our days.
