January 16, 1933 - June 21, 2025

Donna Fay Harveth, 92, of Moundsville, West Virginia passed away peacefully on Saturday, June 21, 2025 at the Moundsville Healthcare Center.

She was born January 16, 1933 a daughter to the late Wiley and Mazie Mae (Nelson) Headley.

Donna was a dedicated laborer at the Marx Toy Plant in Glen Dale, West Virginia, where she worked for many years. However, her true passion and joy in life were her family and loved ones. As a proud wife, mother, grandmother, and great-grandmother, her home was adorned with photographs of her cherished family members, a testament to her love and pride in them all.

Above all else, Donna's life revolved around her family. Known for her warm hospitality, she loved cooking and baking, ensuring no one ever left her home hungry. She found immense joy in spending time by the pool with family, friends and neighbors, creating memories that will be treasured forever.

Donna shared a remarkable journey of 72 beautiful years with her beloved husband, George Harveth III, teaching all who knew them that true love does exist. She is now reunited with him in heaven, along with their daughters Jenny Fowkes and Peggy Mae Harveth; siblings Tom (Lena) Headley, Milford (Ruth) Headley, James Headley, Leroy Headley, Glenna (Donald) Springer,

Gemma (James) Elson, Geneva Headley; and numerous cousins whom she cherished deeply.

She leaves behind her devoted son, Rick (Nancy) Harveth; adored grandchildren Mike (Bri) Harveth, Lisa Harveth, Neil (Stephanie) Fowkes, Joanna (Doug) Pell; and precious great-grandchildren Zara, Luke, Gia, Nevaeh, Aleena, Cameron, Ella, Rilynn, and Kaleb. She is also survived by her sister-in-law Doris Headley, numerous beloved nieces and nephews, and a host of special friends.

The world is a much duller place without Donna. She was fierce, sassy, and above all, she was love. We thank everyone for loving Donna as we did. She was our world, and she will be missed beyond words.

In accordance with Donna's wishes, there will be no visitation. Arrangements are entrusted to Grisell Funeral Home & Cremation, 400 Jefferson Avenue, Moundsville, West Virginia.

“ Sorry for your lost I knew her pretty well when I was a teenager I made several trips to Pittsburgh to see dad. I thing that stands out is on one of our trips a tractor trailer passed us and something from it hit her car she followed it and made him pull over give her the information so she could get her car fixed. She was a little spitfire when someone wrong her.Again Rick so sorry for your loss. Prayers

My condolences. Donna was one of the nicest, caring people I ever met. I was honored to be her nurse at MHC. She would always greet me and say that she was glad I was there ❤️. Always smiling.

“ Rick, Sorry about your mother. My thoughts and sympathy are with you, Lisa and the rest of your mom's family and many friends. The deaths of my childhood friends and Little League teammates always brings a tear to my eye, plus a touch of envy of those who were able to keep their parents around for so long.
