“ *What a lovely woman to join God’s glory. Donna could not have been a kinder woman. It was my pleasure to teach her darling daughter in my first class. When Emily was born Donna gifted me with four counted cross-stitched of nursery rhymes. I treasured those and have passed them to my granddaughters. I feel extremely bad because the last time Donna and Larry visited FL, we tried to get together, but I was spending parts of every day with Mom. My love and prayers for this family. In short, Donna was easy to love.* 🌸

“ Shock doesn't describe how I feel. Just texted her, she had ran into our daughter at WVU and we chatted. Always a smile and never a bad word about anyone. Deepest sympathy to Larry, her children and grandchildren. She will be missed. May God comfort all in the very sad time. Iris "Deaner" Isaacs

“ Donna was a kind and wonderful friend since high school. We have managed to stay in touch through the years. “ Thanks for the memories over the years. Donna was a high school friend, a neighbor on Fourth Street, and then my parent's neighbor on Lynn Street. She always had a smile when we met and when sharing messages online. Our class of '68 get togethers will be greatly diminished.
