“ This picture makes me smile....Such a lovely women.. She was truly one of the best Christians I ever knew. She was my mentor and I received a lot of wisdom and knowledge from her. She is the reason I am a Christian. I wanted to follow in her footsteps. I hope I have made her proud! I am so ashamed to say that I never visited with her in her last years. I could not bear to see this angel from God heading home. I miss her but know one day we will meet again and the first thing I want to say is that I an sorry!!!..She was my secret sister one year and I still have the things that she bought for me.....Jacki...May God comfort you and your family. Just love each other and do what your mom would want you to.....Love and hug those children as Doris would do and tell them about God and how your parents lived by faith. Prayers for you all..
