“ *God has received another wonderful Angel! Words cannot express how much you'll be missed and how many lives you've touched over the years.*

I've worked in the healthcare field for many years; seen and dealt with many things in my time but I must admit your loss was by far the hardest of all for me. As a healthcare worker one is always hopeful to be able to make an impact on others' lives, but it is when others make an impact on us that is the truest blessing of all!

Over the years we've been through a lot together Mommy, at the worst of times and the best of times. And though it hurts to say goodbye, I can honestly say I'm glad to have known you, and to have been through it with you. May you Rest in Peace Jeanie Bean~<3 Love Mommy, and your extended Family
