“ *She was a great sister to me, always there to help anyone , put family came first to her. When I got married at 16 her and Sonny took us into there home and helped us to find a job for my husband and after we got on our feet a home. She was there to take me to the hospital when I had my first child. I live in Alabama and when we came to WV. she always came to see me. She was a fun loving person and accepted what life threw at her. She will be missed by all that knew and loved her. Thank you for being my sister, LOVE YOU, Bonnie & Wayne Parker*
