“ Dear Ferrell Family,

*This is Dan Obertance; Scott and I shared an apartment and later worked together at Wheeling College. I regret that I've lost touch with Scott and also Barb, who I've met a few times.*

*I am so very sorry to hear the news about the loss of your dear Mother. Having met your mother only a few times, I remember her kindness and love for her family. Also, I recall coming for a picnic or dinner at the house where I enjoyed good company and good food compliments of Mrs. Ferrell.*

*Despite being impersonal via the Internet, please accept my sympathies for your loss. There have been many times that I've wondered about Mrs. Ferrell. I know that she was special to all of you, and this must be quite a difficult time.*

*I wish you all much peace and comfort at your time of mourning.*

“ *Barb and family,  
We are sorry to hear of your Mom's passing. I remember meeting  
her a couple of times when we worked together at the bank. I didn't  
realize she was ill. She was such a nice person. I enjoyed the times  
we came out to a dinner at St Jo's. We are glad her pain is over and  
she could go home. We are thinking of you and pray that God will fill  
your hearts with peace. Love, Bart and Joyce(Indermuhle) Wiggins*
