“ Our dearest Aunt Dorothy was such an important part of our hearts. She helped me feel closer to my mother and coming home. She gave my daughter a loving memory of her kindness. She loved "dancing" and joking around with my husband. She was so funny and just a joy to be with. We were always welcomed with open arms. She loved visiting with family and going out to eat when we would visit. Thank you to the rest of the family for all of your kindness and sharing her with us through the years. Now, she is with the rest of her siblings so they can once again all be together. She always told me the story of how they had a pact that the last one to go should bring a deck of cards. I remember her telling Uncle Lew that she would bring them. We love you Aunt Dorothy. Enjoy your card games and may you all be happy together again. ❤️

“ George, So sorry to hear of your mother's passing. Chad and Tony, I am sure you have many special memories of her growing up. The times we have met her and when you have talked of her, she seemed like a very special person to have in your lives.
