“ To you, my wonderful Aunt. I love you SO much and am going to miss like you will never know. You were such a big part of our lives growing up. I have many wonderful memories of you that I will forever cherish. You were like a second Mom to me. I love you now and always will. Love, Becky

“ To my second Mom. Rest in peace. Will never forget the summers we spent there. the shopping trips, fishing, tractor rides, and the prunes. Only You would know about them. Love you for ever.

To my Aunt. I remember going to your place in the summer and going fishing and hunting with Uncle Mack. I also looked forward to going to vacation Bible school. And standing on the train bridge a few feet above the steam engine trains and sucking up the smoke was just too much. Most of all, I remember you standing on one side of Mom's bed and holding her hand while I was on the other side when she died. It was always nice when we got together at Mom's or Becky's for a cookout. Ron and I took you home the last time and we got a big hug from you as we were leaving. You hugged you like it might be the last time, and it was!! We will miss you, Love Richard.
