“ Love and prayers to Sue's family. I met Sue a few years ago at the gun bash and she became my friend immediately. When talking to Sue I know she loved her family so very much. I also got to enjoy a couple of birthday celebrations with the family. We all know she is in a better place now and that she is free from pain. It breaks our heart when our loved ones pass on. Remember all the memories and fun times. Rest in peace, you will be missed.
