“ Hello Jim & family. I just happened to be given a Wheeling Intelligencer a few days ago and saw Dorothy's obituary. I'm very sorry to see that she has passed. I'll always remember the big house on the corner and the feeling that I was always welcome there. Jim, your parents were fine human beings and I'm sure are missed. Hey, remember the "stream hoppers society?"

“ *Jim and family: My parents: Webster and Amelia Brown were friends with your parents. After my Mother passed away your Mother always called me Amelia. (a great compliment). I would correct her and she would laugh. Finally I just let it go. The last time she and I talk again she called me Amelia and gave me a hug. Then she look at me and said oh no you are Barbara. Your Mother was a real Lady and a wonderful Christian. Always had a smile. Barbara Brown Stern.*

*I worked with dear Dorothy at Dr Bradford's many years ago. She was a dear and caring person, wonderful nurse. She gave my oldest son his allergy shots when he was little. Years later when I would run into her, she would always ask "How's Chuckie? Even though he was a grown man. I'm so sorry for your family, she surely will be missed. Truly one of the loveliest ladies ever.*
