“ Terry and Family. I am so sorry for the passing of your Mother. I always loved being around Dorothy, she had that beautiful smile that always made you feel like you were special. I first met her when we worked at the U.S. Stamping Co., she was always so nice to everyone. Then she became part of our family when you and Vicki got married and made your own family. Don said he always remembered her passing out the food at the Kroger's and she was always smiling and laughing. I will truly miss talking with her and your father at all the birthday parties for the kids. Now she is in the next stage of her life with her family that went before her, and with Jesus. I pray for God to wrap his loving arms around you and your family and give you comfort during this time of sorrow. RIP Dorothy, fly high with our angel Chelsea Dawn. Love you both.

“ This world just got a little bit more dimmer without her light shining, she was more of a grandma to us than our own, thank you for teaching me how to make your scalloped potatoes & ginger lemonade, they will never be as good as yours though ❤️
