“ *I am so sorry to hear about your loss. I did not know Dusty but I do know some of his friends/family. I was compelled to send my deepest sympathy to you and your family during this difficult time. My heart, thoughts and prayers go out to each one of you. Its very painful to go through such a tragedy of a young soul. I know, because my little girl Erica Lynn Reed also grew her wings in a automobile accident September 26, 2011 on her way to Paden City High School. And she will be forever 15 years old. If any of you need someone to talk to or a shoulder to cry on, please contact me. May God be with you all and give you some kind of comfort and strength to get through this painful journey. Lots of love, light and hugs to you all.*
