“ Dylan was the bright shining light in my classroom. He was extremely helpful and fun to work with in the kitchen. I could always tell how much time he spent with his Mom in the kitchen. He was so excited when his family would come and have annual brunch with his class. Always so very happy and love to draw his favorite Disney characters. My heart goes out to all of you. I will be keeping you in my thoughts in prayers.

*May the Lord wrap his loving arms around you and provide you with strength and comfort. Amen*
