“ *Earl was a great man, and dear friend to our family. He and Dad kept one another company, hanging out on the front porch, chatting for a couple of hours at a time, some days. We'd like to extend our deepest sympathies and condolences to Donna, Carla and the entire family, as they mourn the loss of their loved one. Prayers for strength and comfort, to all who are suffering his loss. Earl will definitely be missed. 🙏❤️*

I first met Earl when I started working at the glass factory. We immediately became friends and enjoyed a lot of the same things. We would go fishing together, hunting, frog gigging, chasing deals at flea markets, working on cars. He was talented in many ways. I'm blessed to have been his friend.
