“ *I was so shocked to read of Edith's death...she just left me a message a week or so ago about the Wade reunion and ran into her recently at the bank. She was a wonderful lady and I really enjoyed talking to her on many occasions. She was a lovely lady who was so kind and friendly. I will miss talking to her and my deepest sympathy to all the children and George. So sorry I won't be able to attend and express my sympathy in person but we are out of town. By best wishes to all.*

*Sincerely,
Donna Smittle*

“ *I have wonderful memories of visiting the Baxter farm. Aunt Eddie was the best. She was always helpful and caring. Helping to remove the tar from my feet that I would pick up crossing the road and caring for other messes I got into. Breakfast of coco wheets and wonderful times made my visits with the Baxters special.*

Our deepest sympathy to George and Edith's family and friends. She was one of the sweetest ladies I've ever known, always the same. She and George always greeted me warmly after church. I recently told her how she just never changed. I remember all the good times with all their children in youth group at church. What a wonderful family!
