“ Ede was a beloved friend of my mother Lee (Dolly). I think of Ede often, all of her travels to the Congo and our visits with her. And I miss her birds :) I didn't get to visit in Moundsville other than by phone, she has been an inspiration to me for all of her strong character and independence for many years. A wonderful person.....and friend.

“ Edith was one fantastic lady with a life story like no other. She was smart, hard working and was not limited in any way in life. Her strong faith was a great and rare example. I am proud to have known her briefly. I know I will never meet anyone like her.
