“ My deepest Sympathy in the loss of your Mom ,grandmother and Great Grandmother Aunt Edna was a very special person in my life and so many others .She was a lady I looked up to ever since I was alittle girl.Visting with her Uncle Charlie and all the family was just a great time. I loved to have her to come visit when I lived in W.Va and in mine and Troy's home in Virginia .She and I would stay up after everyone else had gone to bed we would talk for hours we laught and told stories to each other about funny things that had happen in our families thru out the years .

Some time my Mom would come and visit ,they loved to ride around so I would drive and just hearing them tell stories I would laugh until I cried .Every time she came to Virginia to visit as soon as she got back home she would call and say Mona I want to come just one more time to see you .Just as soon as Floyd or Rick can bring me .She called me just before she went into the hospital this last time and said as soon as I can get one of the boys to bring me I want to come see you one more time .How I wish that could have happen .She will be missed so very much in mine and Troys Home in Virginia .

Aunt Edna I will come to see you one time when Our Lord takes me home to be with you and all of our Love ones it will be forever in our Heavenly Home .But until then I will go about my Fathers business telling other about Jesus and our eternal Home .Now go and Rest Aunt Edna your work here is done .Love and Prayers to all you have left behind.

“ *Together, again! Aunt Edna was such a good "sis" to my mom. (Mary Lou Cecil Athey) I can only imagine the great reunion the family had as she joined her husband, sons, mother and father, and brothers and sisters who had passed on before her. She missed them all, some for many, many years and others for just a few years. Now we will miss her till we meet again. Prayers for the family from all of us.*
