“ *My name is Andrea Ferrie Kuhn, and Edna lived next to my Grandfather on High St in Benwood. When I was visiting him, her and I use to play together as children, and she also had a beautiful voice. We remained friends throughout the years I had visited her on several occasions until we lost contact. Recently Bill contacted my Brother Albert and informed us of her passing. I shall always remember her and have very fond memories of our times together. My prayers and sympathy go out to the family in your time of need.*

“ *I love you mom. Forever will I remember all the great memories of my childhood playing house and monopoly. From all those to being there for weeks to help me after the birth of each of your grandbabies. I miss you and love you.*
