“ *Uncle Ed, you are certainly going to be missed! So many snowy mornings I would catch a ride with you to work..You were always so good to me, my brother Randy, and my Dad. And how you loved to polka with my Mother Esther back in the day!!!! I wish I could polka like you two could...I remember coming to visit Aunt Doris and you and we always had a wonderful time..By the way, you baked a really terrific cherry pie..I loved hearing your stories about my Grandfather Cliff SR. You weren't one to visit other people's homes, but everyone was always welcome at yours. You were one of the 4 Uncles I claimed as family and I loved you. My brother, my Dad and I are really going to miss you, but I know we will see you again someday. I also loved to hear your stories when you were in the Navy in I believe the Philipines..they were so funny...Love you, Uncle, until we meet again....your niece and the rest of my immediate family will wait patiently until we see you again...Love your niece, Pam.*
