“ We want you to, forever, know how much Steve and I enjoyed Eileen.

Her love of the color green, M&M Peanuts and of her family made each moment with her so special.

For seven months in 2 South at GSNH she was the perfect neighbor for Steve.

Along with Mrs. Rushkevich being a Fisher, the three of them had the Fisher corner.

And more good times than anyone realizes.

And the fact that I have a sister named Eileen, made us have something else to talk about each day.

When Steve was moved to 2 North, it did not stop our friendship. I spirited her to see him and got him to see her.

She remembered the names of my family and was as concerned about my physical health, as I had surgery, while having some spills herself. We may have broken a few rules but Eileen was headstrong and one of a kind.

We took pictures to send Josette letting her know she was on top of things.

Did we know her long enough, absolutely not.

Yet the time we did was a wonderful 2 years.

She helped us be OK with things that we had no control over in our lives and with Steve being in GSNH.

I will more than miss her a little, I will miss her a lot.

Josette and Mike, you are the best. She was so proud of you, loved you as much as you loved her.

Thank you for sharing Eileen with us!

“ Aunt Eileen took me to Church and Sunday school for many years when I was a child. I have fond memories of the conversations we had about how old she was, and how slow I was getting out of the car. She was 40 at the time. Her nickname for me was Moses. If you know you know. I Love you Aunt Eileen, and I've always missed you!
