“ Elaine was my 2nd momma. I grew up with my sis Ashley, always staying at her house, laughing together, staying up late talking. She was one of the cool moms that all the kids loved and hungout with. She was the best mom ever, so kind, so understanding, you could tell her anything and she wouldnt judge you, just help you. She always had the best advice and the most caring heart in the world. We have tons of memories together that I will always cherish and never forget. I love Elaine so much, fly high beautiful mama. We all miss her dearly.
