“ *I'm so grateful to have had Elaine as a friend. She and Chip embraced me when I was a newbie in California. I have a fond memory of going to Monterey with her and other friends for a weekend. We got a take-out pizza and Elaine led the running charge to the beach, balancing a pizza box & sodas, so we could watch the sunset. She was funny and vibrant and kind and will always be remembered with love! XOXO, Carol Vitkay*

“ *Elaine and I were grade school and high school friends. From the time she was very young, she could light up a room with her lovely smile and charming humor. Elaine was the best giggle partner ever. Some of my warmest childhood memories include Elaine. May she rest in the peace of Christ.  
My sincerest condolences,
