“ Dwight, Keith, Roger, and families,
We are sorry to hear of your Mother's passing. Our thoughts and prayers are with you all. I so enjoyed her welcoming smile at Westwood. Even without being able to remember, she was so pleasant. This fall when I last saw her she was layering beautiful colored beans in a glass vase. We laughed together about the jobs we do. Boys, know that she was so proud of all of you. God be with you all as you lay her to rest.

“ Dear Keith, Dwight and family, On behalf of Monroe County Board of DD and staff, Please accept our most heartfelt sympathies for the loss of your mother. Our thoughts are with you and your family during this difficult time. Your mother was one of the original members of the Parent Support Group (ARC) for the program. She was the Treasurer for the group for many years. She and her core group of parents raised and donated funds to the school and workshop for several activities... dances, lunches, playground equipment, educational and vocational materials, Special Olympics, and much more. She was Keith's biggest advocate and always supportive of all his activities and this program. May the care and love of those around you provide comfort and peace in the days ahead.

From, Helen K. Ring, Supt. of Monroe County Board of DD.
