“ I had the privilege of working with Ellie (and calling her my friend) from 1998 until 2001 (I will always consider her a good friend) and during those years we laughed a lot! I have so many happy memories of Ellie and will always remember her smiling, cracking jokes, and being a genuinely nice, caring person (a rare find). My sympathies to her family (Jerry, I know how much Ellie meant to you), you are all in my thoughts and prayers.

*I'm sure Ellie is in heaven, looking down at us, and remembering special moments and good times shared with family and friends (she had a lot of those)....*

“ Eleanor was a special friend at our club, sadly missed by all. We will miss your Whittier answers to our trivia and the correct ones you gave us often. I didn't have the pleasure of knowing you long but it was a great time. May God Bless you in your new experience with our Lord. God Bless your family and comfort them in their loss. With the world in the sad shape right now I consider you blessed to escape this place for what is to come for the rest of us.
