“ I love you Aunt BethAnn. There's so much I'd like to say, but I'm limited on here. My last visit to West Virginia, I'll never forget. I had the best time hanging out with you: laughing until we cried. And eating my first fish sandwich at your local eatery. I love you! Please find my children when you get to Heaven and tell them I love them and I'll be there soon

“ Just wanted to say that Aunt Bethann was definitely one of a kind. I have many memories of her while I was growing up but being so far away it was hard to come visit as an adult like I wanted. But I will always hold her memory in my heart. I am extremely happy that she gave her life to Jesus Christ before she passed which means I will see her beautiful face again. I love you Aunt Beth..RIP❤️
