“ I am so sorry for your loss. I suspected something wasn't right when I didn't receive my annual Christmas letter from her. I went to Nursing school with Anne at Episcopal Hospital. I have many fond memories of her. We have stayed in touch at least twice a year for 59 years. I will really miss her. She was such a loving and caring person to everyone. Sending love and prayers to the Miner family.

“ My thought are with the Miner family as they deal with the unexpected loss of Ann. She was a true matriarch and led her family forward. Her ability to overcome the obstacles and trudge forward were seen throughout her many accomplishments. Ann might be gone from her earthly home, but she shall never be forgotten

*God Bless Ann*

“ I met Ann back in 2004, when I started working at Flips house. From the day I met her, i knew what a sweet, loving woman she was. Then after my mother passed, she became like a second mother to me. I could always talk to her when I was down. Rob, T, Flip and Linda, you all are in my thoughts and prayers.
