“ *Our hearts break in the loss of our dear friend Liz. She and Tom have engraved a special place in our hearts and lives that will forever be there. Even though we know that she is with her Lord, we will miss her smiling face. Tom, we know that we will all have a great reunion again one day but in the meantime we know God will give you comfort. We are so sorry that we can't be there with you but know you understand as Juanita is recovering from her surgery. Our prayers are forever with you and the family and you know we are here for you if there is anything else we can do. Love and prayers, Roy and Juanita*

“ So sorry to hear of your tremendous loss. Our hearts go out to all of you. We could write volumes about how wonderful Liz was but anyone who knew her at all knew this. Lillian, she had your caring personality. Tom, when she looked at you we knew what love looked like. Brad & Amy, the sun rose and set right where you stood. We are enriched to have known her. And blessed to have learned from her loving ways.

Love,
Tom & Clara Haught
