“ *Ella was a bundle of so many things.. a heart of gold, would do anything for you. Loved her kids and grandkids and was so happy about being a great-grandma for the first time. She was also the most gullible person I ever worked with, we could tell her anything and she believed it. How much fun we had working together. I am so glad we all got together for dinner not even a month ago. Thanksgiving was her most favorite time and I find it oddly appropriate that she would join her beloved mother in heaven now.* ”
