“ I wrote a long winded tribute to post here but instead I shared it with Ellen. She once gave me the Faith and strength I needed to get through a tough time in my life. It was the same month that an automobile accident injured her Mother and took the lives of her Father and two close friends. Her Brother went blind that month. Yet she was strong enough to help me get through that difficult time. Thank you Aunt Ellen and may we all share in that strength as we celebrate your life. God Bless your wonderful soul and all that Love you.
