“ She was so happy and strong every day. She cared for everyone and loved everyone. Kristy says she was the favorite but really I was the favorite. When ever I saw her she always seem happy but I knew she was hurting in the inside. When ever I saw her she would always call me brat for a nick name and I will always remember that. I will miss her every day. Rip grandma

“ Dear Diane and all of Ellen’s family,
We are so sorry to hear of the passing of your dear Mom, grandma,
and more. She was always so kind to me when I stayed at your
house. I remember her as a great cook, a hard worker, and a very
special person. I remember her teaching me how to make punch
from an old family recipe including the “secret” ingredients. God be
with you as you lay your dear one to rest. I will not be able to come
down today, but know you are in our thoughts and prayers today
and always. Love, Bart and Joyce(Indermuhle) Wiggins
