“ Aunt Wanda and family. Letting you know our prayers are with you all during this sorrowful time. Uncle Ellis was one of my favorite Uncles. I can remember coming to your house as a child and having wonderful meals which included his homemade buscuits or bread. Unfortunately, in this day and time we don't visit like families used to do in the past.
Uncle Ellis grew a wonderful garden and I appreciated him sharing his green beans from the garden with me and my sisters. Pete and I will surely miss running into him at the flea market.
I know you all have wonderful memories to share with each other and I pray they bring you comfort and strenght to get thru the days ahead.
