“ I am sending my sincere condolences to the survivors, family members of the late Elsie L. Nuzum who I have known for some time. I first met Elsie when she was secretary to the late Lou Jagucki, Plant Manager, Benwood Plant, Wheeling-Pittsburgh Steel Corporation. Later I met other management employees at Benwood Plant, including Elsie's late brother-in-law, Fred Marco. Elsie and her late husband, Richard, purchased my mother and father's house in Bethlehem. I visited Elsie when she resided in Moundsville at the Moundview Rest Home. I visited her several times and attempted to call her, either by cell or land line telephone. I regret that I had not been able to contact her recently. Elsie was a nice sweet person and was very friendly. Before she left Bethlehem, I would call her at home. We will all miss Elsie as the Lord has called her Home.

“ I am so sorry to hear of Elsie's passing. I was so blessed to know her during my time as OPALs Director at OVMC. She was such a sweet lady and I enjoyed spending time with her at the many trips and OPALs events she attended. May God bless you all as you mourn her passing.
